

Waterworks Park- Day 1

Mt Man- Welcome to Waterworks Park!

Molly-Hi Everybody! I am soooo excited to be here. I can't wait to see what God has in store for us tonight. I just know its going to be great!

Mt Man- I am sure of it. There's been directors, teachers, and staff getting ready for months.

Molly- You are so right Mt Man and it's finally here-right here-right now!!

Mt Man- Listen here- I've got a riddle for you!
What could I be? Can you guess?
I can wash away a mess.
I am ice and I am snow
And from the clouds I fall below
But this fact should stump you for good:
Back in Moses' time I stood
And formed 2 walls so folks could get
From shore to shore and not get wet.
What am I?

Molly- Hmm, Do you kids have any ideas? At first I thought it was water, but now I'm not so sure. It would take a miracle for water to stand up.

Mt Man- A miracle was exactly what happened Molly. God parted the water so the Israelites could cross on dry ground. As you travel today through Water Works Park, remember because God's love finds a way, we can trust in him.

Molly- Let's go Mt Man I can't wait to get started! See ya!

Mt Man- Be sure to bring your change and remember boys- we gotta show those girls who's #1 at collecting money for missions! See ya!!
