

# Cow

This page was made possible by a generous donation of transcript by [Robyn Merrithew](#). Thank you, Robyn!

*(Scene: based on the wild cheering from the audience, I believe it is the episode of **The Muppet Show** where Miss Piggy has bought the audience, either because she was jealous of the guest star or because she was trying to negotiate a new contract (both are frequent occurrences); there is a cow on the operating table)*

*Time once again for **Veterinarian's Hospital**, the continuing story of a quack who's gone to the dogs.*

**CROWD:** We want Piggy! We want Piggy!

*(Piggy enters, crowd goes wild.)*

**NURSE PIGGY:** Thank you, thank you! (Blows kisses). Dr. Bob, Dr. Bob?

**DR. BOB:** What?

**NURSE PIGGY:** Where did we get this patient from?

**DR. BOB:** Oh. Well, she was found with a bunch of cows.

**NURSE PIGGY:** Not bunch. Herd.

**DR. BOB:** Herd of what?

**NURSE PIGGY:** Herd of cows.

**DR. BOB:** Sure, I've heard of cows. (Laughs)

**NURSE PIGGY:** No, no, no. I mean the cows herd.

**DR. BOB:** I don't care if the cows heard. I haven't said anything to be ashamed of. (Laughs)

**NURSE JANICE:** But Dr. Bob, are you going to operate?

**DR. BOB:** No, I think we've milked this joke long enough. (Laughs)

**COW:** Oh, look, I have a stake in this too. (Laughs)

*And so, Dr. Bob has taken the bull by the horns. Tune in next time, when you'll hear Miss Piggy say:*

**NURSE PIGGY:** This has really been a moo-ving experience.

*(Crowd cheers)*
