

The Singing Weather Man

*(Scene: it is the episode of **The Muppet Show** with Gladys Knight; the roof of the theater is being repaired, and has a large hole in it; a man is on the operating table.)*

*And now, **Veterinarian's Hospital**, the continuing story of a quack who's gone to the dogs.*

NURSE PIGGY: Dr. Bob, how can you operate without a roof?

DR. BOB: It's better without a roof! Cuts down the overhead. (That's doctor talk.)

NURSE PIGGY: What if it rains?

DR. BOB: We'll head for the nearest tax shelter. (That's more doctor talk.) Oh, Nurse Janice!

NURSE JANICE: Yes, Doctor Bob.

DR. BOB: Where have you been?

NURSE JANICE: Taking angry calls from the medical association.

DR. BOB: Ooo-ooo...

NURSE PIGGY: Dr. Bob, the sky is threatening!

DR. BOB: Yes? So is the audience, but that's never stopped us.

NURSE PIGGY: I don't know whether you should operate

NURSE JANICE: Oh, let's ask the patient. He can tell us, he's a weather man.

DR. BOB: You mean, he knows whether or not I should operate?

(thunder)

I didn't think it was that bad!

WEATHER MAN: *(singing)* Don't know why, there's no sun up in the sky...

DR. BOB: I do, because it's night time! (Pretty dumb weather man.)

NURSE JANICE: Oh, no he's not, he's a singing weather man! He's just telling you it's stormy weather.

DR. BOB: I don't believe this!

NURSE PIGGY: He's right, it *is* stormy weather! I just felt some rain drops.

WEATHER MAN: *(singing)* Keep falling on my head, they keep falling...

DR. BOB: There's gonna be more than that falling on your head! Where's that...?

*And so we come to the end of another **Veterinarian's Hospital**.*

DR. BOB: (He must be on a cloud.)

Tune in next week when you'll hear Nurse Piggy say...

NURSE PIGGY: Dr. Bob, it's getting worse! It's beginning to hail!

DR. BOB: Hail?

WEATHER MAN: *(singing)* The gang's all here! What the heck...

EVERYONE: Oh shut up!
